Crescent Dental Associates - Financial & Responsibility Policy

This Notice describes your financial obligation and payment options. Please read carefully.

Payment in full is due at the time services are rendered. For your convenience we accept Cash, Certified Checks, Care Credit, Lending Club Patient Solutions, Wells Fargo Health Advantage, Discover Card, Visa and MasterCard.

Dental Insurance: Insurance plans are selected by you and your benefits are determined by your employer and your insurance carrier, not your dentist. You are responsible to know the scope of your insurance coverage and its limitations. Dental insurance is not a guarantee of payment and insurance companies typically will not pay in full for all of your treatments. If you receive a statement from our office and disagree with how your insurance carrier processed the claim, please call your carrier. You are responsible for payment of any deductible and co-insurance (co-payment) amounts at the time of service according to the terms of your insurance policy. Your insurance coverage is a contract between you and your insurer. Your account with us and payment of all charges are your responsibility, not your insurance company's. You will be expected to pay for services rendered, in full, if our office is unable to verify your insurance information prior to treatment. Unless a written pre-determination of benefits is requested from your insurance carrier ahead of time, we can only estimate the amount of your co-payment and are unable to calculate an exact amount due to limitations on release of information imposed by some dental insurance companies.

Delinquency: We reserve the right to charge and collect a fee of \$100.00 for broken appointments - appointments that are canceled or broken without proper 48-hours advance notice. Exceptions will be made on a case by case basis. Appointment times are reserved exclusively for you. If two or more appointments are missed per family and we were not properly notified, you may be not be able to schedule further appointments in future. You may be dismissed from our practice or need to call on the day you are available and if we can accommodate you into our schedule on that same day, then you will be seen on that basis until further notice. A returned check fee of \$20.00 will be added to your account balance and is collectible. Any account balance overdue longer than 90 days is considered delinquent, immediately collectible, subject to 5% interest on a monthly basis and may be sent to small claims court or collection agencies with notice given to you in advance. You are responsible for any interest, legal or collections related fees. Payment in full of any past due balance and related fees are expected before any further treatment is rendered.

Full Payment & Deposit: Payment in full (co-pay + deductible + any credit on the account + estimated insurance portion) is due at the time of service. We will submit a dental insurance claim for you and a payment is expected to be received from your insurance company usually within 4 to 6 weeks. Any outstanding balance after final insurance payment is your responsibility. A deposit equal to half of your portion of payment, is required to reserve your next appointment time. Exceptions are 6 month cleanings & check-ups and payment plans already in effect.

Payment Plans: We offer extended term interest-free and deferred-interest payment options through Care Credit, Well Fargo Health Advantage and Lending Club Patient Solutions. These programs are offered through independent financial institutions and are subject to credit review and decision by them.

As guarantor of my account, I understand that I am solely responsible for all of the fees for dental treatment. I further acknowledge that I have received a copy of this office's financial policy and agree to its contents. We reserve the right to ammend or change this policy without notice.
